Jonathan Cove, Horseshoe Bay Resort estate on 351 feet of pristine Lake LBJ waterfront. Stunning panoramic views of Island and Lighthouse Drives to the northwest and The Peninsula to the northeast can be seen across vast expanses of water. This could be the best viewing location for the annual Horseshoe Bay 4th of July fireworks extravaganza which is staged at the end of Lighthouse Dr. Surrounded by many luxury homes, this one-of-a-kind lakefront treasure has 7 bedrooms, 6 full baths, 2 half baths, 2 kitchens, multiple living and dining areas, media room, work-out room, and office. Glass walls that disappear into the wall from the main living and game room areas allow combining the outdoor living with the indoor. The breathtaking views across the negative edge pool and out into Lake LBJ are exceptional. This one-of-a-kind property is offered furnished with exceptions and includes a Tige 22' surf/wake/ski boat, 2 Yamaha Wave Runners, kayaks, and a generous assortment of water skis, wake boards, surf boards, and life jackets.
