Onion Creek Add, Austin, TX

There is no need to compromise at 10833 Olympia Fields Loop. This home as it all - A new roof (July 15th, 2025), golf course views, a refreshing pool, and a one-story floor plan, with both open-concept and formal spaces. This property enjoys a prime location for several reasons—most notably, it sits outside the floodplain in Onion Creek, a major advantage in the area. This property enjoys a prime location for several reasons—most notably, it sits outside the floodplain in Onion Creek, a major advantage in the area. Upon entry to the home, you are welcomed with views straight out to the pool, with the greens behind. The formal dining and living areas are customized with extensive built-ins and plenty of room for large gatherings. The expansive kitchen with center island, updated cabinetry and lighting, and recent appliances is the heart of the home and opens onto the den and breakfast room. The island makes a great place for guests, homework, and meal prep. The primary bedroom offers access to the patio, an ensuite with separate soaking tub and shower, and a large walk-in closet. With a mother-in-law floor plan, the secondary bedrooms and second full bathroom are on the other side of the home, near the remodeled laundry room and drop zone. The fourth bedroom and half bath are near the front of the home; this space would also make a great office. The backyard is a true oasis, with mature trees, a recently resurfaced pool with added heater, a fenced area for play (kids or

pups!), and a front row seat to the golf game near the fire pit. Recent updates include complete interior and exterior paint, recent HV/AC system and ductwork, updated ceiling fans throughout, custom wood paneling on the patios, and recent landscaping. Onion Creek is a South Austin gem, with sidewalks and neighborhood parks sprinkled throughout the community and close proximity to shopping and restaurants and Downtown ATX.
