\*\*\*\*Stunning, fully updated home on an oversized corner lot in a well-established NW Austin neighborhood! This is no ordinary remodel - the attention to detail and quality upgrades reflect a true designer's touch, bringing a feel of elegance and creativity to the home. Notable updates include extensive interior transom windows, craftsman-style window and door casings, tall modern baseboards, gorgeous laminate wood flooring (no carpet), designer paint and a new roof in 2022. The kitchen impresses with contemporary two-tone cabinetry, natural stone countertops, and chandelier lighting, while the remodeled primary bath shines with a mother-of-pearl style backsplash and elegant sconce lighting. High ceilings add to the open, spacious feel - most notably in the large living room, where two wood beams and a soaring cathedral ceiling frame the striking central fireplace. Step outside to an oversized covered patio overlooking the expansive 0.28-acre lot - perfect for gardening, play, or even adding a pool. The location is just as exceptional: one block from a highly rated Round Rock ISD elementary, walking distance to the HOA park with pool, playground, and tennis/pickleball courts, and minutes from North Austin's tech corridor. Major employers, including the new Apple campus just over a mile away, are a quick commute, with The Domain - Austin's second downtown - only 10 minutes from your door!
