Residential on 0.05 Acres

The Grove, Austin, TX

Urban Living iAustin Style! Only a few Castleton E plans were built in The Grove. Prized for size and for versatility of their floor plan, these spacious homes very rarely become available. Freestanding with 4,108 square on just two levels, the thoughtfully designed floor plan offers exceptional flexibility, comfort and privacy in a premier central Austin location. The design easily accommodates owners whose needs include separate quarters within the home. A landscaped yard surrounds the home, with a private covered patio offering a relaxed setting for outdoor dining or quiet mornings—low maintenance and enjoyable year-round. Inside, gleaming wood floors define the main-level entry, open living room, dining area, and large kitchen. Designed for both function and style, the kitchen offers abundant cabinet storage, a full-size French door refrigerator, and a suite of top-tier appliances—well-equipped to handle everything from daily meals to holiday celebrations. Wood floors continue throughout the upper level living area and bedrooms. At the back of the home, accessed via a separate exterior entrance as well as a passage in the main level, a stair leads to the bright guest suite. Featuring an open floor plan with a well-appointed full kitchen, living and dining area, a secluded bedroom and a full bath and stacked washer & dryer this hospitable space is perfect permanent living or just visiting.
