Land / Farm on 19.97 Acres

E B Hargraves Surv, Dripping Springs, TX

This is more than land's leverage in one of Texas' fastest-growing, most sought-after markets. Located in Dripping Springs, the "Gateway to the Hill Country," this 19.97-acre UNRESTRICTED property with no HOA sits in the prime corridor for commercial and tourism expansion. Demand for venues, accommodations, and destination experiences here is skyrocketing, fueled by a surge in population growth, high household incomes, and a booming wedding, brewery, and agritourism industry.

The property's natural beauty—rolling hills, mature trees, and a serene pond—sets the stage for a destination resort, luxury wedding venue, boutique winery, brewery, or event space. Infrastructure is already in place: a 4-bedroom/3.5-bath main home, 1-bedroom/1-bath guest house, pool, hot tub, and an 18-basket disc golf course. Its current amenities allow for immediate rental or event income while you develop your long-term vision. It accommodates horses, longhorns, goats, or other livestock, opening doors for ranch-style or farm-to-table concepts.

In Dripping Springs, land of this size and flexibility is disappearing fast. The city has been recognized as one of the most business-friendly and high-growth areas in Central Texas, with strong tourism inflows and proximity to Austin adding massive upside.

This is your chance to secure a multi-use asset in a market where commercial property values and demand are climbing year after year. Investors, developers, and visionariesâ€™ properties like this donâ€™t come around twice.
Your next flagship project starts here!
