Residential on 2.10 Acres

LAKE OAKS, Spicewood, TX

True waterfront living on Lake Travis is back—and this fully renovated gem delivers it all.

Steps from the water and perched on 2 private acres, this 3-bed, 2-bath retreat offers panoramic views, elevated finishes, and an unmatched lakeside lifestyle.

Stripped down to the studs and rebuilt with care, the 1,607 sq ft home has been thoughtfully transformed inside and out with ~\$150,000 in improvements. From the modern fixtures and updated systems to the bright, open floor plan, every detail was designed to enhance comfort and maximize the view. A wall of windows floods the main living areas with natural light and showcases sweeping vistas of Lake Travis and the surrounding Hill Country. Out front, a full-length covered porch invites you to slow down and savor every golden hour.

The lake is up, the dock is just steps away, and this property is ready for boating, fishing, and waterfront fun—all from your backyard.

A standout bonus: the massive ~1,400 sq ft metal storage building with roll-up doors and soaring ceilings. Park your wakeboard boat with tower, oversized pontoon, or convert the space into a workshop, art studio, or rec space—it's truly flexible and built to impress.

With no HOA, direct lake access, and endless potential, 409 Lake View is an ideal full-time residence, vacation home, or STR/investment opportunity (buyer to verify). Peaceful and private, yet just a short drive to both Austin and Marble Falls.

Buyer to independently verify all details including schools, acreage & usage restrictions.
