Live in One Side, Rent Out the Other â€”

Smart Living in North Austin

One of the biggest perks of owning a duplex like this is flexibility. You can move into one unit and let the other unit help pay your mortgage. With a 2 bed/2 bath on one side and a 3 bed/2 bath on the other, you have options depending on your needsâ€”cozy living with lower costs, or more space for your family while still bringing in rental income. New air conditioner units (2025) New fence (2025) Recent roof (2021) Straightforward, awesome duplex in one of my favorite duplex areas. Updated 2/2. 3/2 with original finishes. Close to everything like Q2, The Domain, MoPac, Parmer, the hospital(!) and zoned to Anderson High.

North Austinâ€™s rental demand is strong, especially with proximity to The Domain, Seton North, major employers, and Anderson High School zoning. That means you could attract quality tenants and keep your vacancy risk low. Many owners in this area are covering a large portion of their monthly mortgage with rental income.

Itâ€™s a chance to build equity, lock in a prime location, and have your investment work for you while you live comfortably in one of Austinâ€™s most desirable areas.

Live in one side and rent the other side out.
