Check out this AMAZING home on the Double J Ranch golf course. The home is situated on an oversized culdesac lot with a beautiful wrought iron fence around your entire back yard. Enjoy the views of the golf course from your covered patio and you will love the additional side yard space and mature trees this house has. The home itself is super charming and functional. You will be greeted with upgraded flooring as soon as you walk inside, and the flooring continues throughout the house. The living room and dining room work together perfectly, and the fireplace is cozy and a true highlight of the open space. The kitchen is gorgeous with tons of counter space, center island and breakfast area that looks out to the golf course. The primary bedroom is big and has great views. Secondary bedrooms are good size and there is a bonus flex space at the front of the house. New roof recently installed. Wonderful community. This house has so much to offer. MUST SEE!!!
