Buckingham Ridge Sec 05, Austin, TX

This Buckingham corner lot just got a whole lot more tempting — with a strategic price drop, it's now an incredible value for anyone eyeing modern Austin living with serious style. From the sleek charcoal-gray exterior and warm wood accents to the generous yard space, this home turns heads before you even step inside. Inside, it keeps the energy going with soaring vaulted ceilings, a striking wood beam, and a painted brick fireplace that anchors the living space with both charm and edge.

Light pours into every corner thanks to recessed fixtures and wide windows, while the open layout flows into a kitchen designed to impress: granite-topped eat-in island, crisp gray cabinetry, stainless steel appliances, and a deep pantry that hides the clutter and keeps things smooth. Tucked just beyond? A laundry space that's smart and seamless.

The bedrooms keep the comfort high and the vibe relaxed, with ceiling fans and natural light in every room. The primary suite is a personal escape, while the additional rooms flex effortlessly between guest space, work-from-home zone, or a weekend gym setup.

Out back, the covered patio is ready for those slow morning coffees or winding down with friends. The fenced yard is large, private, and prepped for whatever your next chapter

holdsâ€”whether it's raised beds, a fire pit, or playtime with the pups.

With every detail dialed in and a price that's been thoughtfully adjusted, this oneâ€™s calling your name.
