Painted Bunting, Austin, TX

An Urban Farmhouse Oasis with no HOA and plenty of space to move about in incredible privacy and serenity. This is a beautifully remodeled home just off of 620 and zoned to Grandview Hills, Four Points, and Vandegrift. Kitchen is a chef's dream with updated white cabinets, Porto Alegre Soapstone counters, Frigidaire Professional Appliances, recessed lighting, and Burnt Umber Bamboo Engineered wood flooring. The master downstairs is perfectly private, with views of only nature and wildlife, featuring a bathroom with 12 x 24 tile and is upgraded with an thoughtfully planned oversize shower and Shadow Storm granite counters and shower seat. So much planning has gone into the remodel, and the details are obvious throughout. Second floor features bathroom with double granite vanity, under window seat storage in hall, and two sizeable bedrooms. The formal dining has been converted to an office filled with windows overlooking the property, yet the breakfast room has ample space for a large table overlooking the screened in deck and raised planting beds that are fenced for small pets. The sunroom/studio is clad in shiplap and ready for any project or simply a reading room (or a summer home for a college student). The garage is covered in pegboard for tool storage, has an epoxy floor, and the property has a water conditioner, failsafe on the well cistern, Rachio smart sprinkler, and sheds on property. This is a must see property!! Location, Schools, No HOA and a super low

tax rate!
