This home is full of charm, character, and thoughtful craftsmanship throughout. Every room has been carefully designed, featuring reclaimed oak flooring, rich wood detailing, crown molding, and beautifully crafted wood tongue and groove and vintage tin ceilings that add warmth and elegance to the space. The large country kitchen, and breakfast area are perfect for hosting. Highlights of the property include a gated entry for added privacy, a spacious shop with electricity, mature peach trees located behind the home, and a picturesque front-facing view of Texas sunsets. Enjoy fishing in your own pond stocked with catfish and take advantage of the property's natural setting, which also makes for great hunting. Appreciate the recent upgrade of a brand-new well pump (installed in 2025). The property features both Manville water and a private well with an additional pump, perfect for maintaining the lawn.
