MEMORIES ARE MADE AT THE LAKE!!! This exceptional waterfront home embraces panoramic lake views from the moment you walk thru the front door. The interior was beautifully remodeled (2022) and the exterior was painted and roof replaced (2025). The main level includes an open concept living room, dining room, kitchen, primary suite, laundry room, half bath and study. The updated kitchen has a large center island with breakfast bar seating, quartz countertops, soft close cabinets and new stainless steel appliances. New easy care waterproof luxury vinyl flooring has been installed throughout the home. Primary bath and upstairs guest bath have been fully updated to include quartz countertops, new tile and seamless glass shower enclosures. Two of the upstairs bedrooms share a private balcony both with "WOW" views of the lake. The supersized deck on back is perfect for entertaining, grilling and watching the evening sunsets.
