Residential on 0.17 Acres

Milwood Sec 30c, Austin, Texas

An incredible opportunity to own a beautifully updated home just steps away from an amenity-filled community park, the true heart of the neighborhood! This home has been updated throughout and feels like a new home in an established, tree-filled, NW Austin community. Updated windows, doors, just installed vinyl plank flooring downstairs and new carpet up, fresh paint, modern lighting and fans, remodeled bathrooms, and a gorgeous kitchen with white cabinets and grey quartz countertops. HVAC systems replaced within the last couple of years and the roof is approximately 6 years old. This ideal floorplan, perfect for multi-generational living, includes a downstairs bedroom with an ensuite full bath, spacious open living areas, and a large game room upstairs. Never fight over bathrooms again as each of the five bedrooms has direct access to one of the four full bathrooms, including three Jack-and-Jill setups. There's even a mud/utility room with backyard access, built-in cabinets, and ample storage for pet or personal gear. Perfectly located less than a block from Rattan Creek Park, featuring a Jr. Olympic pool (heated in winter), tennis courts, playgrounds, a sport court, and walking trails. The home is a short commute to many major employers and just 1 mile through neighborhood streets to the new Apple campus. Outstanding Round Rock ISD schools, including an elementary school within the neighborhood. Plus, dozens of restaurants and shops are only minutes away, with

Austin's second downtown, the Domain, just
10 minutes from your door!
