Residential on 0.75 Acres

Cedar Park Ranchettes, Cedar Park, TX

Loved and well taken care of, this 2307 sq ft home is situated on .748 acres, right in the middle of Cedar Park. Since the home's original purchase, the owners have added an additional 1/2 acre making the lot 3 times the original size. It features an open floor plan with a large Master bedroom and huge master closet off the ensuite. 2 bedrooms and a full bath are located on the other side of the home. Kitchen includes a quartz island (and countertops) soft close drawers and a large pantry. Glass French doors open off the foyer into a dedicated office. Formal dining room and breakfast, plus seating at the island leave plenty of room to seat everyone. The insulated 3 car garage opens into the laundry room. The back yard is massive and completely enclosed with 6' Trim and Cap privacy fencing. The shed, placed on an attached concrete slab provides plenty of storage for yard equipment. This home also has an irrigation system, gutters and a rain collection system. This home has 2 current appraisals that are available. The sellers are including an Architectural Design with Structural engineering (roof extension (\$17500.00), for an outdoor Kitchen/entertainment area. Also, a half bath to be used in conjunction with a planned pool. The plans have already been approved and permitted by the City of Cedar Park. (Buyers would have to get re-permitted, but all the hard work is done.) Whatever you plan to do with that huge space, the sky is the limit. Additional information is available upon

request. 410 Lone Star is a beautiful home in a great location and it's priced perfectly. Don't wait! It will go fast.
