Springdale Hills, Austin, TX

Welcome to 5610 Northdale Drive, where cookie cutter goes out the window and personality moves in. Yes, you read that right! If you're looking for something fresh, stylish, and packed with character, this East Austin gem is calling your name. Set on a sprawling corner lot with no backyard neighbors, this modern retreat delivers privacy, personality, and space—all without an HOA telling you what you can and can't do. Step inside to an open floor plan that stuns from the start: soaring ceilings, plentiful natural light, and brand-new luxury vinyl plank flooring (7/2025) that's as sleek as it is durable. The painted white stone fireplace steals the show in the living room, flanked by custom built-ins and cozy bench seating—perfect for relaxing nights or gathering with friends. The stylish kitchen is a vibe. Think quartz countertops, painted cabinetry with pull-out drawers, a chic tile backsplash, stainless steel appliances, a breakfast bar made for morning coffee or midnight snacks, and fun wallpaper that delights. Your primary suite is the kind of space you won't want to leave, featuring a walk-in closet and a spa-like ensuite with a rainfall shower. Two more bedrooms add flexibility—whether it's a guest room, office, or dream craft space, the choice is yours. The backyard is private, shaded by mature trees, and full of potential. Want to build a pool? Create an epic garden? Set up an outdoor movie zone? You've got the space. Plus, there's a bonus shed for your

gear, tools, or secret hobby hideout. There's a lot to love about this home and as an added bonus, you're close to the action - East Austin College Prep, major highways, the airport, downtown, groceries, restaurants, and big-name employers.
