Residential on 0.47 Acres

Paulson Add, Austin, TX

Step into refined comfort in this stunning 4-bed, 4.5-bath home with 4,486 sq ft of beautifully designed living space on a .47-acre corner lot. A blend of contemporary elegance and inviting warmth, this exceptional residence was featured on the cover of LUXE Interiors + Design and received a 12-page editorial in 2021.

The open-concept great room is the heart of the home, seamlessly connecting living, kitchen, and dining areas. Custom caned-door cabinets flank the fireplace, while a cozy window seat nestles beneath the stairs. A main-level study with built-ins offers an ideal space for work or quiet focus.

The main-level primary suite provides convenience and privacy, while the upper level features three additional bedrooms—each with its own full bath—and a secondary living area ideal for media or playroom. One bedroom includes a custom Murphy bed, easily converting the space from a gym to a guest suite.

Designed with a sophisticated yet welcoming palette, the home showcases rich textures, statement wallpaper in key rooms, and striking lighting, including a dramatic pendant by Australian designer Christopher Boots. Custom draperies and window treatments complete the look.

The backyard is built for entertaining with an outdoor kitchen, a heated 9-ft-deep pool with diving board by Modern Pools, and a putting green. A Control4 system with integrated

sound and cameras, plus a fire sprinkler system, add modern convenience and safety. The 3-car garage and meticulous design throughout make this home truly one-of-a-kind. Located in the acclaimed Eanes ISD, this home is walkable to Rollingwood Park and Trader Joe’s, and just minutes from Zilker Park and downtown Austin, offering the perfect balance of tranquility and city life.
