Hidden Valley Estates, Wimberley, TX

This is the one you've been waiting for. Tucked away at the end of a quiet riverside road, this one-of-a-kind estate feels like your own private paradise on the water. With two acres shaded by mature trees, 200 feet of Blanco River frontage, and ranch land on two sides, it's the kind of place made for slowing down and making memories. Perfect for gathering with loved ones or savoring a quiet evening on the river, this waterfront home is designed to be enjoyed for generations.

The property includes a main home and a charming guest bunkhouse, so there's plenty of room for family and friends. Out back, the deep limestone pool and spa overlook the river, with a handcrafted outdoor fireplace, perfect for cool nights. Or you can wander down the grassy slope and sit in the water while the sun sets.

Inside the main home, you'll find a cozy stone fireplace, a modern kitchen with top-of-the-line appliances, and a wet bar that makes entertaining a breeze. Each of the three bedrooms has its own bathroom, and there's a powder room near the living area for guests. The laundry doubles as a butler's pantry with a second fridge – a small detail that makes a big difference. The bunkhouse next door is its own little getaway with a stone fireplace, projector, rec room, sleeping area, bathroom, and covered porch. Plus plenty of outdoor fun with horseshoes and washers.

Additional amenities include a basketball court, swing set, garden, and an oversized fire pit ready for long nights under the stars. Here, there are endless ways to enjoy the outdoors year-round.

This is a home built to enjoy – whether you’re sitting in the river, soaking in the pool, hosting a dinner party, or just curled up by one of the many fireplaces. Once you’re here, you won’t want to leave.
