Say hello to this rare opportunity to own 1491 feet of Colorado River Frontage in Bastrop County. The southwest corner of the property is a high bluff at approximately 330'± with views across the Colorado River at over a +1000 acres situated in the floodway (unbuildable acreage). This level area is approximately 19 acres, then the property gradually slopes down to the river at the beginning of the Hardeman Bend, reportedly an early Texas stagecoach crossing. This 38-acre parcel out of the Stephen F Austin Survey was part of 222 acres of improved pasture used for cattle grazing for the last 50 plus years.
