Lake Travis Waterfront Living Designed by Bercy Chen Studio. Experience modern architecture and lakeside tranquility in this stunning Bercy Chen designed waterfront home on beautiful Lake Travis. Every detail reflects artful design and functional living, from the light-filled interiors to the seamless connection between indoor and outdoor spaces.

The main home offers 2421 square feet of elegant living with clean lines, warm finishes, and expansive lake views. A 900-square-foot finished garage adds flexibility for guests, extended family, or creative space, complete with its own HVAC, kitchenette, and laundry hookups.

Outside, the flat, usable backyard leads to your private two-slip dock with storage and a swim platform — perfect for weekend boating, paddle boarding, or relaxing at sunset. With its modern design, usable lot, and rare architectural pedigree, this home captures the best of Lake Travis living — a true blend of art, water, and lifestyle. This cove has always had water. It is estimated at 80 ft deep.
