<p>Lake days just hit harder here. With panoramic water views and killer sunsets, this Canyon Lake retreat is built for living wide open. Fire up the grill, dive into the Jacuzzi hot tub, or take the party upstairs to the massive two-story deck—designed to soak up every insane view. When the sun drops, gather around the firepit and let the lake breeze take it from there. Chill days, wild weekends, and everything in between... this is how you do it right. Inside, this home is filled with light, character, and soul—where beadboard walls, crown molding, and an open layout create a warm, inviting vibe. The kitchen blends modern convenience with cozy charm, complete with custom cabinetry, a wine fridge, and a built-in breakfast nook perfect for lingering over morning meals. Expansive picture windows flood the living and dining areas with natural light and breathtaking lake scenes that change with the seasons. The owner’s suite is your personal escape, offering private outdoor access, a half-bath, and a walk-in closet with built-ins and mirrored

doors. Two additional bedrooms offer flexibility for guests, office space, or creative pursuits.
